## Important information about your Denplan Care payment plan

**Denplan Care is a dental payment plan contract agreed between you and your dentist to cover your routine preventive and restorative dental care – it's more than an insurance policy.**

Please see page 27 for further details of the Worldwide Dental Injury and Dental Emergency Cover (Supplementary Insurance) included.

### Who is my contract with?

Your contract is between you and your dentist. Your dentist will give you a copy of the contract, which will be tailored to your needs. Denplan will send your payments to your dentist to carry out your treatment and provide continuing care.

### How much will I pay?

Your monthly payment is based on your oral health and the care and treatment your dentist expects to provide to you in the next 12 months. Payments are set by your dentist based on your individual needs, so your dentist will be able to quote you a price. There's also a one-off Denplan registration fee of £15 when the plan starts.

### How is my monthly payment calculated?

Your dentist assesses your dental history and the condition of your teeth and gums. This helps them to tailor the right preventive programme for you, which will determine how much time your dentist needs to spend caring for you this year. This forms the basis of how your monthly payments are calculated.

### How often will I visit my dentist?

Everyone's oral health needs are different: your dentist will let you know what's best for you.

### What does my plan include?

You can see a quick overview on page 8. Your dentist will also let you know of any additional treatments or exclusions when you join.

### How are my payments made?

You agree to make monthly payments to cover the cost of your plan, allowing you to budget for your regular dental care more easily and attend regular check-ups.

### Are there any discounts available?

Discounts are available where more than one family member or group member at a single address is registered at the same practice, and payments are made under one direct debit. The following discounts apply:

- 5%** Two group members
- 10%** Three group members
- 15%** Four or more group members

"I used to fear going to the dentist but my experience of Denplan makes it a much more enjoyable experience, all that stress and worry has been removed and it's definitely worth the money."

Rebecca, Denplan patient

## General tips on oral healthcare

Your dentist will give you the best advice on how to look after your oral health; but here are a few tips on caring for your teeth and gums at home:

- Brush your teeth for a full two minutes, twice a day, with a fluoride toothpaste. Set a timer if you think you may be cutting the time short!
- Don't just stop at brushing your teeth and gums – give your tongue a good brush too or use a tongue scraper. The back of the tongue can harbour bacteria which are a major factor in causing bad breath
- Floss every day. If you're struggling to get to grips with flossing, speak to your dentist or hygienist about techniques. It's also worth trying interdental brushes or floss holders – ask your dentist or hygienist for advice
- Replace your toothbrush or brush head every three months, and choose a brush that is small enough to reach every part of your mouth especially behind the back teeth which are often overlooked
- Consider using a power toothbrush if you feel you need more help. They often have in-built timers to help you monitor your two minutes of brushing
- Spit toothpaste out after brushing, don't rinse. If you rinse after brushing, you'll wash away some of the protective fluoride

“One of the best investments I have ever made. It would be one of the last things I'd let go of in financial hardship”.

Aileen, Denplan patient

## What to do in a dental emergency

These tips are only temporary measures – in all cases you should see your own dentist as soon as possible.

**Toothaches:** First, thoroughly rinse your mouth with warm water. If your mouth is swollen, apply a cold compress to the outside of your mouth or cheek. Never put aspirin or any other painkiller against the gums near the aching tooth as it may burn the gum tissue.

**Chipped or broken teeth:** Save any pieces. Rinse the mouth using warm water. If there's bleeding, apply a piece of gauze to the area and apply gentle pressure until the bleeding stops. Apply a cold compress near to the broken/chipped tooth to keep any swelling down and relieve pain.

**Knocked-out tooth:** Retrieve the tooth and, if possible, try to put it back in place (rinsing it briefly before doing so). Make sure it's facing the right way. Never force it into the socket. If it's not possible to reinsert the tooth into the socket, put the tooth in a small container of milk or slightly salty water. Knocked-out teeth have the highest chances of being saved when seen by the dentist and returned to their socket within one hour of being lost.

**Lost filling:** Stick a piece of sugarless chewing gum into the cavity or use an over-the-counter dental cement.

**Lost crown:** Make an appointment to see your dentist as soon as possible and take the crown with you. If possible, slip the crown back over the tooth. Before doing so, coat the inner surface with an over-the-counter dental cement, toothpaste, or denture adhesive, to help hold the crown in place. Do not use super glue!

**Abscesses:** These are infections that occur around the root of a tooth or in the space between the teeth and gums. Abscesses are a serious condition that can damage tissue and surrounding teeth, with the infection possibly spreading to other parts of the body if left untreated. See your dentist as soon as possible if you discover a pimple-like swelling on your gum that is usually painful. In the meantime, to ease the pain and help draw the pus toward the surface, try rinsing your mouth with a mild salt water solution several times a day.

## Implant upgrade cover

You can add Implant Upgrade Cover to your dental injury and dental emergency insurance. It means that in the event of a dental injury which results in tooth loss you can, where clinically appropriate, benefit from the most up-to-date treatments for tooth replacement. The maximum cover is £20,000 per incident.

To find out more about upgrading your cover please ring us on **0800 401 402**.

## Who to call in the event of a dental emergency

If you need dental treatment in an emergency, the last thing you want is a complicated process to follow. That's why we've made it as straightforward as possible for you.

- **I am at home or within 40 miles of my own dentist**

Always contact your own dental practice first. They should have emergency cover in place for registered patients outside of normal practice hours, and instructions on what to do should be on their answering machine message.

- **I am at home and I am unable to reach my own dentist**

Call the 24-Hour Worldwide Dental Emergency Helpline on 0800 844 999. We will help you to contact your own dentist, or arrange an appointment with another local practice.

- **I am in the UK, and more than 40 miles away from my dentist**

Call the 24-Hour Worldwide Dental Emergency Helpline on 0800 844 999. We will arrange dental advice or an appointment with a local dentist for temporary emergency treatment.

- **I am overseas**

Call the 24-Hour Worldwide Dental Emergency Helpline on +44 1962 844 999. We will explain the best action to take to find a dentist in the local area.

"I feel that Denplan approved dentists can be relied on to give excellent, up-to-date treatment and advice".

Dianne, Denplan patient

It was the best decision I made joining Denplan. I now have peace of mind visiting my dentist knowing that my dentist and Denplan is looking after me.

Eileen, Denplan patient

## What do I do if I want to change my dentist?

Your Care Contract is between you and your dentist. It's based on your individual needs and the monthly payments are agreed between you and your dentist. This means that the Denplan Care Contract you have with your dentist is not transferable to another dentist.

If you're moving house or going away temporarily, you may need to change your dentist, if you change your dentist you will need to arrange a new denplan care contract with your new dentist.

## Changing your Denplan dentist

There are three simple steps to change your dentist and ensure you keep all the benefits of your Denplan membership.

- 1. Call your current dentist** and ask them to complete the Patient Leaving Form for you. We recommend going to a final appointment with your current dentist, because if you have outstanding treatment when you visit your new dentist you will be charged privately to have this completed.
- 2. Call us on 0800 401 402** once you're ready to cancel the contract you hold with your current dentist. Alternatively you can email us at [cae@denplan.co.uk](mailto:cae@denplan.co.uk). Your contract will end with your dentist on the last day of the month. We need at least 21 days notice to cancel your contract, so if you contact us within a week of your last payment, you won't need to make another payment until you've registered with your new Denplan dentist.
- 3. Call your new Denplan dentist** and arrange your first appointment. Remember to tell them that you're a Denplan patient, and ask if there is any initial assessment fee. You'll need to complete an application form and sign a new contract with your dentist, and remember to take along a Patient Leaving Form from your previous dentist.

Talk to your dentist or call our Customer Advisor team for any help on **0800 401 402**.

“This may sound strange to many people who have a fear of dentists but as a family we have always rather enjoyed our visits. Our dentist and staff are brilliant and really put you at your ease”.

Karen, Denplan patient

"Having regular appointments is a great safeguard at my age of 71 when I have had very little treatment throughout my life. I am so grateful for the way Denplan communicates and encourages - even at my stage of life!"

Hugh, Denplan patient

## The Care Contract between you and your dentist

**Denplan's role is to provide administrative services to support the contract between you and your dentist. This includes passing your payments onto your dentist.**

Please remember, the contract is with your dentist and cannot be transferred to another practice or dentist. If you are considering changing your dentist, please contact Denplan who will advise you on how to transfer, ensuring your oral health is maintained.

The following points make up the terms and conditions of the contract with your dentist. These are very important and we strongly advise that you read them carefully and keep them in a safe place so that you can refer to them in the future, should you need to.

### 1. Definition of terms used

Unless the context otherwise requires, 'contract' means this Care Contract and the terms which you have signed; 'dentist' means your treating dentist and 'Denplan' means Denplan Limited (company number 1981238) whose registered office address is at Hambleden House, Waterloo Court, Andover, Hampshire SP10 1LQ, UK.

### 2. Treatment to which you are entitled

The contract entitles you to receive all the treatment normally provided by a general dental practitioner to maintain oral health, which may include the following at the dentist's discretion;

- Check-ups
- Oral healthcare advice
- Preventive therapy and counselling
- Radiographs (x-rays)
- Restorations (fillings)
- Unless excluded, you are entitled to root canal treatment

- Scaling and polishing and other hygiene treatments
- Periodontal (gum treatment) and surgical treatment and the provision, repair and maintenance of prostheses including crowns, bridges and dentures (excluding laboratory fees charged by your dentist – see condition 4)
- Any necessary extractions (excluding wisdom teeth – see condition 3)

### 3. Treatment to which you are not entitled

The contract does not entitle you to:

- Any treatment which you and your dentist agreed to exclude at the start of the contract
- Orthodontic appliance therapy ('braces')
- The provision, repair or replacement of dental implants and related superstructures (unless you have opted for Implant Upgrade Cover, terms and conditions apply)
- Any treatment needed as a result of a dental injury (an injury to the teeth or supporting structures, including damage to dentures whilst being worn, which is directly caused suddenly and unexpectedly by means of a direct external impact to the mouth) although this may be covered by your Supplementary Insurance. Please refer to the Membership Booklet (pages 31 - 39) for further information
- Referral to a specialist or specialist treatment which is necessary in the reasonable opinion of your dentist
- Any treatment which is purely cosmetic
- Any treatment which is not clinically necessary in your dentist's opinion
- Treatment carried out anywhere other than by your registered dentist, although temporary emergency treatment may be covered by your Supplementary Insurance. Please refer to the Membership Booklet for further information
- Surgical extraction of wisdom teeth
- Sedation fees

#### 4. Prescriptions and laboratory charges

The contract does not cover pharmaceutical items, prescription fees or laboratory fees reasonably charged by your dentist, which must be paid by you directly to your dentist.

#### 5. Dental emergency arrangements and insurance entitlements

Your dentist is obliged to provide reasonable access to out-of-hours emergency dental treatment, either directly or through participation in an emergency dental cover arrangement.

In addition, Denplan arranges Supplementary Insurance for you. The full Terms and Conditions of your Supplementary Insurance policy can be found in the Membership Booklet.

#### 6. Alteration of monthly fee

Your dentist will normally review your monthly fee annually and your fee may change in January in any year and at other times in exceptional circumstances.

Should the fee change (for example, due to inflation or increased material or practice running costs) you will be given at least one month's written notice (correspondence sent to the payer's email address if provided or last known address by ordinary post will be treated as adequate notice).

Should your oral health change, the dentist may change your level of plan, treatment included and associated fee by providing one month's written notice, or less with your consent. If you are not happy with any change in monthly fee, you have the right to terminate the agreement giving your dentist and Denplan not less than 21 days' notice, expiring on the last day of a calendar month, as detailed in condition 11.

#### 7. Treatment by another dentist

The contract is with your dentist as specified in the document entitled 'Care Contract'. If your dentist arranges for another dentist or a locum to provide routine care on his or her behalf, this will be covered by the contract. However, where you choose to have routine care or treatment provided by a practitioner independently of your dentist,

any associated costs will not be covered by the contract. Furthermore, where you are referred by your own dentist to a specialist, the costs will not be covered (see condition 3).

#### 8. Payment

You must pay the monthly fee by Direct Debit in favour of Denplan as collecting agent for your dentist.

Where you are not the payer specified in the document entitled 'Care Contract', you shall ensure that the payer pays any sum due by you under this contract. You agree that, when making any such payment, the payer acts as your agent and on your behalf.

Any other amounts due to your dentist (e.g. prescription fees, pharmaceutical items, laboratory charges or treatment not covered by the contract) are payable by you directly to your dentist and non-payment of such amounts will constitute a breach of the terms of the contract.

Your liability to pay the monthly fee continues until the contract is ended in accordance with this Agreement (see condition 11).

#### 9. Direct Debit changes

Following a decrease in monthly fee or increase in discount available to you, your Direct Debit will be changed at the next available collection date. Where you are given notice of an increase in your monthly fee, your Direct Debit will be changed at the end of the required notice period (see condition 6).

#### 10. Your responsibilities

You are responsible for keeping appointments made with your dentist and you must pay any 'missed appointment' fee should you fail to do so.

You must ensure that you also attend your dentist for regular examinations, receive the treatment your dentist advises and you must promptly inform your dentist of any injury, problem or other material matter affecting your oral health. If you fail to ensure any of this you will be liable to pay any fee reasonably charged for treatment necessary to restore your oral health, which could otherwise have been avoided.

If, in the reasonable opinion of your dentist, he or she is not able to maintain your oral health due to any act or omission on your part, your dentist may end the contract immediately by giving notice to that effect.

#### 11. Ending the contract

You may cancel the contract by contacting Denplan within the cancellation period, which is 14 days following the conclusion of the contract. Following this period, you may end the contract by giving not less than 21 days' notice to your dentist and to Denplan, expiring on the last day of a calendar month.

Your dentist may end the contract by giving you two months' written notice expiring on the last day of a calendar month. If you are intending to leave the care of your dentist, you should attend a final leaving appointment, where your dentist can arrange to provide any outstanding treatment, check your oral health and provide you with a record of this on the Leaving Form, which you should take to your new dentist. The initial examination fee and any necessary outstanding treatment prescribed by your new dentist may have to be paid for privately to re-register under Denplan.

#### 12. Non-payment

##### Non-payment of one fee

If you fail to make a monthly payment, Denplan will inform you accordingly and attempt to collect two payments in the following month. Insurance claims may be settled at Denplan's discretion and we reserve the right to refuse any insurance claim relating to an incident that occurred during the unpaid period.

##### Non-payment of two fees

If you fail to make two successive payments, Denplan will inform you that your contract has been cancelled. Insurance cover will cease from the date of the first failed payment and no insurance claims during this period will be paid. Insurance claims may be settled at Denplan's discretion and we reserve the right to refuse any claim relating to an incident that occurred during the unpaid period.

#### Refunds

If Denplan agrees to refund your monthly fee for any reason, your membership for those months will be treated as unpaid and the conditions relating to non-payment will fully apply to you. If payment has already been forwarded to your dentist we reserve the right to reclaim the corresponding payments from your dentist. You will be liable for all sums outstanding to your dentist and Denplan.

#### 13. Dental records

By signing the document entitled 'Care Contract' you consent to the disclosure of your dental records, for the purposes of any review, assessment or consideration of the care provided by your dentist which may take place under the terms of his or her membership of Denplan but not for any other purpose without your further consent.

#### 14. Variation of these conditions

If it is necessary to vary the conditions in this Contract, for instance to take account of changes in the law, this can be done by your dentist giving you 30 days' written notice. If you do not wish the contract to continue, having regard to any variation notified to you, you may end it as detailed in condition 11. If you do not do this by the time the notice of variation expires, you will be deemed to have accepted the variation.

#### 15. Contract not transferable

As the contract is with your dentist, you may not transfer it to another practice or dentist. If you need to change your dentist a new contract will be required. You are not entitled to assign or sub-contract any rights or obligations you may have under the contract to any other person.

### 16. Treatment outside the contract

Nothing in the contract prevents you and your dentist agreeing that he or she will provide treatment outside your entitlement under the contract. You will be responsible for paying for such treatment but if it is, or may be, covered by the Supplementary Insurance and you act promptly to submit a claim, your dentist may allow a reasonable period for the claim to be settled before requiring payment from you.

### 17. Liabilities

Denplan Limited administers Care registrations and collects monthly fees on behalf of your dentist. The contract is not with Denplan and Denplan has no liability to you (whether in respect of tort (including, without limitation, negligence), breach of contract, defective or unsatisfactory treatment, or otherwise) in connection with any contract it administers on behalf of your dentist. This does not affect any right or remedy you may have against your dentist.

### 18. Disputes

All Denplan member dentists are required to have an in-house complaints procedure. If you are unhappy with any aspect of your dental care you should, in the first instance, approach your dentist directly. If you remain dissatisfied, Denplan offers an impartial mediation service for registered patients. Your dentist must agree to participate in Denplan's clinical mediation service, including an undertaking to submit any claim arising out of the contract to arbitration.

### 19. Notices

Any notice given by your dentist under these conditions is valid if Denplan gives it to you on your dentist's behalf. Any notice given by your dentist or Denplan is valid if sent to the payer's email address if provided or last known address by ordinary post.

### 20. Third Parties

The contract is intended to confer a benefit on your dentist and you. No other person shall be entitled to enforce any term of the contract by virtue of the contracts (Rights of Third Parties) Act 1999 (the 'Act').

### 21. Governing Law and Jurisdiction

Both parties agree that this Contract shall be governed by and construed in accordance with the Law of England and Wales and the parties hereby irrevocably submit to the exclusive jurisdiction of the English Courts.

If **we** do not hear from the **policyholder** in response, then **we** may at **our** option assume that the **policyholder** wishes to renew the policy on those new terms. Where the **premium** is paid by Direct Debit or other payment methods, **we** may continue to collect **premiums** by such method for the new policy year. Please note that if **we** do not receive the **premium**, this may affect **your** cover. **We** reserve the right to refuse renewal of the policy.
- v. If **you** (or anyone acting on **your** behalf) make a claim under **your** policy or obtain cover knowing it to be false or fraudulent, **we** can refuse to pay **your** claim and may declare the policy void, as if it never existed. If **we** have already paid **your** claim **we** can recover those sums from you. Where **we** have paid a claim later found to be fraudulent, (whether in whole, or in part), **we** will be able to recover those sums from **you** and/or take the appropriate legal action against **you**.
